Dear I-Rep,

Thank you so much for volunteering to share your time and talents to mentor your Heavenly father’s children this Get Connected. You will be greatly blessed with the opportunity to be an example and by so doing will also be blessed to be able to feel how the Lord feels about His children.

Your service alone will not only develop your character, but it will also change lives all around you as you strive to live in an exemplary manner as the Lord’s stewards. We thank you for who you are, who you strive to represent and your every effort you make to help others come closer to the Lord. We have so much faith in you and know you are doing the right thing.

The Gospel is True,

Get Connected Council- Fall 2014
Dear I-Rep,

Thank you for serving as an I-Rep within the Student Support program; your selfless sacrifice of both time and talents is recognized and appreciated.

Your willingness to serve is reflective of the special environment —the Spirit of Ricks—found at BYU-Idaho.

The Spirit of Ricks exists on this campus because all who work here provide personal, individualized attention to each student. It exists because bishops and other ecclesiastical leaders create spiritual havens for the members of their wards. It exists because caring students are genuinely interested in one another.

And, most of all, it exists because the influence of the Holy Ghost is evident on this campus. This is a precious legacy that we must nurture and strengthen as we move forward on our divinely appointed path.

As an I-Rep you will play a significant role in preserving and enhancing the special spirit of this institution.

We wish you well and pray for your success and happiness in this assignment as well as your other endeavors at BYU–Idaho.

Sincerely,

Kim and Sue Clark

WHAT IS AN I-REP?

A Representative of BYU–Idaho
You serve as an official representative of the University; as such, new students will look up to you. You will teach them not only through words but also through your actions and attitudes.

An Ambassador
You are an ambassador, a smiling face, an outstretched hand. You are the first to greet new students and their parents. Be enthusiastic and sincere, anxious to help with anything that is needed.

A Guide
You are a guide to the lost. New students and parents will arrive to an unfamiliar campus and community. You can provide tremendous service simply by pointing people in the right direction.

An Advisor
Whether you’ve been here one semester or will be graduating soon, you can advise new students on things they don’t yet know. I-Learn, Testing Center, Personal Honor, as well as lingo such as DTR, MC, or IF are all foreign to new students.

A Friend
Starting college creates a lot of change for new students. Just a few encouraging words or smile and a hello at the right moment can do much good and show the new students that you really care.

A Disciple-Leader
As an I-Rep you live the gospel and represent the University as a disciple of Jesus Christ. The service you give is invaluable, and blesses others more than you know.
Power of Invitation
New students should feel included during Get Connected. By actively inviting new students to activities, attendance will increase and students will feel welcome. Actively inviting means to approach new students about the event instead of waiting for them to ask you.

Instructions
- These students are your peers. Please don’t treat them in ways that might seem condescending.
- Pray for charity; that the love and concern you feel for the new students will come across to them as sincere interest.
- Get to know them, relate with them, and befriend them. Be personal and focus on the individual.
- Invite the parents to attend the activities for them and their students on move in day.
Ushering

Instructions

Go over your ushering assignments in your I-Reps guide on page 2.

- Check-in with I-Rep Program Manager to receive specific instructions for your event. Write those instructions in the notes section on that page.
- Warmly & actively welcome new students and parents.
- Remind students to register for Get Connected (if they have not, direct them to the registration tables).
- The list at the right is for most events, but be sure to check the individual event to see specific instructions.

- After Move-In Day, remind students at the door:
  - To remove their hat
  - No food allowed
  - Extreme dress and grooming standard violations.
  - Turn off cell phones

- Take attendance if you are given a counter, but be sure not to count volunteers.
- Once the meeting has started, close the doors. Stay at your assigned location to open the doors for any who may enter/exit during the meeting. When the meeting is over, help direct students to the next location.

Report clicker attendance numbers to Matt Dobbins.

I-Team/Get Connected

Is Get Connected mandatory?
Please be careful when addressing this question! First, stress the importance of attending Get Connected and the great benefit it will be in their lives. We want them to go for the right reasons.

The official wording we are asked to use is: “All new students are expected to participate in Get Connected.” Please avoid using any other language than this.

What is an I-Team?
An I-Team is a grouping of new students from a designated geographical boundary with two current student leaders who lead them through their BYU-Idaho Get Connected experience.

Where and when do I meet my I-Team?
Your I-Team leaders will stop by with a door flyer, letting you know your group meeting location. You can also meet your I-Team at the Meet Your I-Team session. Encourage new students to meet their I-Team as soon as possible.

What is the purpose of an I-Team?
To introduce new students with other new students, help make friends, get acquainted to BYU-Idaho, and build a support system with current student leaders to guide and answer questions throughout Get Connected.

What does a group number mean?
The group number helps you find the I-Team that you are in. Your group will have other new students from your apartment complex in it, as well as members of the opposite sex.

What are the some of the activities at Get Connected?
Some examples are the New Student Talent Show, Student Services Breakfast Tour, Academic Connections and I-Night.

At the Student Services Tour & Breakfast you get to know campus and key student services and eat free food.

At I-Night you will be able to have fun with your friends that you made at Get Connected, as well as meet current students. There will be various activities throughout the BYU-I Center & Manwaring Center.

Where do you go to pay for I-Night?
You can pay for I-Night at the door or purchase tickets at the ticket office. The cost is $5. Some food costs extra.

What can parents attend?
Parents are invited to attend all
activities on Move-in Day. Parents stay at the BYU-Idaho Welcome, while the new students attend the Meet Your I-Team.

**How do I audition for the New Student Talent Show?**
New students can audition for the New Student Talent Show at the Manwaring Center Dance Studio (MC 201) on Friday, April 18 from 9:00 - 2:30 p.m. and 5:00 - 7:00 p.m., or on Saturday, April 19 from 7:30 - 9:30 a.m.

**I-Cards**
**Where do I get an I-Card?**
You can get your I-Card in Kimball Building during Get Connected and after school starts.

**When can we get our I-Card?**
You can get your I-Card weekdays from 8:30-5:00. We encourage students to get their I-Card during assigned free time during Get Connected or after school starts.

**Why do we need an I-Card?**
You need your I-Card to buy your books, make copies/print, check out books at the library, take tests and any time you go to the Cashier’s Office in the Kimball. You don’t need your I-card the first week -you can use a picture ID and your I-Number.

**What do you need to get your I-Card?**
You will need to know your I-Number and have a government-issued photo ID. You must also be in compliance with the dress and grooming standards.

**Where can I get my I-Number?**
You can get your I-Number by logging onto my.byui.edu. Click on the “Profile” tab and it is located under “Personal Info.” It is a 9 digit number (xx-xxx-xxxx).

**Honor Code**
**What is appropriate footwear?**
Flip flops and other casual footwear are inappropriate on campus. Refer to the Honor Code, on page 17-18.

**Do parents have to follow the Dress and Grooming Standards during Get Connected?**
We encourage all parents, family, and guests to observe the dress and grooming standards while on campus.

**On Campus**
**Where do you buy your books?**
You can purchase your books in the University Store located on the first floor of the Manwaring Center.

**Where is the ticket office?**
The ticket office is located on the first floor of the Kimball Building, as part of the Cashiers’ Office.

**Where is the Kimball Building?**
The Kimball building is next to (east of) the Taylor Building. The Taylor
building has white bricks and looks like a Church building.

**Where and when is devotional?**
Devotional is held every Tuesday at 2:10 p.m. in the BYU-Idaho Center.

**How do you find available jobs?**
You can find jobs on and off campus by visiting the Human Resource website at www.byui.edu/humanresources. Select Employment Opportunities.

**Where is the Livestock Center or Henry’s Fork Property?**
If you get on Main Street and head West, it will be on the right about 5 miles outside of town.

**Where can I pay my tuition?**
You can pay your tuition online using an eCheck or most major credit cards. You can also pay your tuition in person at the Kimball Building. VISA is accepted.

**Where can I register for classes?**
You must register for classes online. Log onto your my.byui.edu, select Add/Drop Courses.

**How can you find out about weekly campus activities?**
An e-mail goes out weekly on Thursdays to your student e-mail account that tells about activities and events going on throughout the week. There is also a web calendar.

**How do I find out what ward I am in?**
Log into your mybyui.edu, click the “Profile” tab. It is under the “Personal Ward” section.

You can also look it up with the online Campus Stake/Ward Directory: http://web.byui.edu/WardsAndStakes.
Principles of Personal Honor
“True at all Times”

- Personal honor is integrity in fulfilling commitments, responsibilities, and covenants.
- Personal honor begins with willing obedience and is fully developed when we consistently govern ourselves by true principles.
- Personal honor increases spiritual strength through the ministry of the Holy Ghost.
- Personal honor is central to every aspect of our lives, including the BYU-Idaho experience.
- Personal honor brings us joy and happiness; depends on our desire to love, serve, and lift others; and ultimately helps us to become more like the Savior.

CES Honor Code
As a matter of personal commitment, faculty, staff, and students of Brigham Young University-Idaho seek to demonstrate in daily living on and off-campus those moral virtues encompassed in the gospel of Jesus Christ, and will:

- Be honest
- Live a chaste and virtuous life
- Obey the law and all campus policies
- Use clean language
- Respect others
- Abstain from alcoholic beverages, tobacco, tea, coffee and substance abuse
- Participate regularly in church services
- Observe Dress and Grooming Standards
- Encourage others in their commitment to comply with the Honor Code

Dress and Grooming Standards
- Men and women should be neat and clean in appearance.
- Maintain a chaste and virtuous life. Avoid extreme clothing and hairstyles. Pants, slacks, or jeans should not be in poor condition, frayed, or torn and must be ankle length.
- Caps or hats should not be worn in buildings.
- Shoes should be worn in all public campus areas. Flip-flops and other casual footwear are inappropriate on campus.
- Shorts are not appropriate campus attire.
- Do not disfigure yourself with tattoos or body piercings.

Women:
- Clothing is immodest when it is sleeveless, does not cover the stomach, or is low-cut in the front or back.

“The written Honor Code is the baseline standard. It is the letter of the law” - President Kim. B. Clark
• Dresses and skits should be knee-length or longer (even with leggings worn).
• No capris may be worn on campus.
• Women may wear one pair of earrings.

**Men:**
• Hairstyles should be clean and neat, avoiding extreme styles or colors, and trimmed above the collar leaving the ear uncovered.
• Sideburns should not extend below the earlobe or onto the cheek.
• Men are expected to be clean shaven; moustaches, if worn, should be neatly trimmed and may not extend beyond or below the corners of the mouth. Beards are not appropriate.

**Curfew and Quiet Hours**
• Students should be in their own apartments by midnight Saturday through Thursday nights, and 1:00 a.m. on Friday nights.
• Apartment visitors must leave in time to arrive at their own apartments by curfew.
• Quiet hours are from 10:00 p.m. - 8:00 a.m. daily and all day on Sunday.

**Visitation Guidelines**
• There should always be at least three people in an apartment being visited by a member of the opposite gender.
• Men and women may visit in apartments of the opposite sex between the hours of 10:00 a.m. and curfew.
• Visitors of the opposite gender are not allowed in bedrooms at any time.
• Where applicable, blinds must be open during visits by the opposite gender.

Games Training

- **Balloon Stomp**: Will be played with all I-teams.

- **Spider Web**: The goal of the game is to get each group member through the holes in the spider web. The point is to have each person pass through a different hole. This will be a competition between the two I-teams to finish.

- **Blindfold Switch**: Individual is placed in the middle of a circle with a blindfold. That person calls out three numbers and those numbers switch places with each other. The middle person tries to tag the people switching places. Tagged person is in the middle.

- **Car Lot**: Group lines up on one end with one tagger. Everyone chooses if they are a Truck, Ferrari, or Porsche. The tagger stands in the middle and shouts out a car and those people run to the other side. If they are tagged they join the tagger and help tag people.

- **Streets and Alleys**: Divide players into even rows. Have them spread out with their arms out to the side, so they touch fingertips. This will form the streets and alleys. One person is the “caller”, one is the cat and one is the mouse. When the caller calls out Streets or Alleys everyone turns the same way. The cat chases the mouse through the streets and alleys. Once caught choose a new cat and mouse.

- **Couch Game**: Teams sit down alternating teams with one empty spot. Since the students are still getting to know each other, everyone will use their own name. The person to the right of the empty spot calls out a name and the person with that name moves to that spot. A team wins when they get a team member on each “couch” seat.
